JULY NEWSLETTER

We had 41 shooters come out to shoot on a hot and steamy day. Thankfully, we had a nice breeze that kept most of us from melting. Thank you all so much for joining us. You could have stayed home in the air conditioning but decided to spend the day with your cowboy pals. For everyone who helped make our shoot a success, we thank you.

Shootout at Stoney Bottom is fast approaching. Get your registrations in by August 12th, and receive a leather shooter's bag.
