

SANDUSKY COUNTY REGULATORS

MAY NEWSLETTER

Thank you to all who came out for our May shoot. We had 47 shooters in all. The weather was a bit chilly, but it didn't seem to hamper the fun factor. We got to try out our new buffalo targets and a few larger squares that we were able to get with the proceeds from our raffles at our 3-day shoot of 2018. Thank you Leatherman and Deadeye Dingus for your donated items for our raffles.

A big thanks goes out to our set up and tear down crew, Deadeye Dingus for taking care of scoring in Woody's absence, and to Shirley (Mrs. Shady Wayne) and Dance Hall Darlin for helping to bake cookies. We appreciate all of you.

Our hearts were saddened to hear of the passing on Easter Sunday of Hoss, aka Bob Staudinger. He was one of the founders of Stoney Bottom, and a great ambassador for our sport. We will miss him greatly. Please keep Ma and her family in your prayers.

We also want to send our condolences to Sixgun Scotsman who lost his brother this week. We continue to keep him and his family in our prayers.
