

SANDUSKY COUNTY REGULATORS

NOVEMBER NEWSLETTER

We had quite a chilly day for our final shoot of the season. Thank you to the 21 shooters who braved the weather to have one last day of fun before the long winter. We had a great and successful summer of shooting with our attendance higher than it has been in a while. Thank you all who helped in any capacity, from helping set up the stages to tearing down every month, to Woody Shootem for the scorekeeping and all the duties he performed as our Assistant Match Director, and his wife Darla for all her help with our 3-day match. A special thank you also to Dance Hall Darlin' and Shirley Ziegler (Mrs. Shady Wayne) for your donations of cookies every month. You are all invaluable to our cowboy crew. We met quite a few new cowboys and cowgirls who joined us for the first time, and we hope you enjoyed yourselves and plan on returning next season. Our first shoot for the 2020 season will be on April 11th.

There will be a Territorial Governor vote in the near future on a proposed rule change. Our Assistant Match Director, Woody Shootem, sent out an email with the information on the new proposal. If you weren't at our shoot this past Saturday, Nov. 9th, you can contact our Territorial Governor, Steel Rider, at Steelrider4570@yahoo.com and let him know your opinion.

Thank you all for a great season! See you in the Spring!

TOP TEN

1. Badfinger Bodene
