

# SANDUSKY COUNTY REGULATORS

## October Newsletter

We had a great day for our annual Halloween shoot. We had 51 shooters and thank you all who came dressed in your costumes. It was great fun to transform our little town of Stoney Bottom into Spooky Bottom. Rest assured, the zombies are multiplying as we sleep and shall return in greater force next year. Word has it that the zombie bartender, who activated the swinging zombie, is already planning his revenge, so beware. 😊 Thank you all who came to help us set up, and tear down. You are greatly appreciated.

Our November shoot will be dependent on the weather so check Facebook, this site, or the Sass Wire.

Congratulations to the top ten and clean shooters. Great shooting!
