

STONE BOTTOM GAZETTE

JULY 2016 EDITION

Today was a picture perfect summer day. The weather was beautiful and you couldn't have asked for a better bunch of cowboys to shoot with. We had 41 shooters come out to enjoy the stages from the classic John Wayne movie.. "She Wore a Yellow Ribbon." Thanks to Woody Shootem for writing an awesome match!

Our 3 day is right around the corner. If you haven't registered yet, here's your reminder. We would like to have all applications submitted by September 2nd. We have an amazing shoot planned to the theme of "Back to the Future Part III." It really is a great movie. If you have some spare time, try to watch it before September. We are still in need of sponsors and door prizes. If anyone is interested, please let us know.

We had four clean shooters for our July Match. Congratulations to: *Badfinger Bodene, Bobby Too Smooth, Deadeye Dingus and Garland Ratz.* Great Shooting!

This is Woody Shootem. Woody is dealing with a hand injury so in the spirit of the game he is shooting Josey Wales! Love the bucket and smile on his face! That's what cowboy shooting is all about!

This is Sassy Southpaw, Dancehall Darlin' and yours truly. Darlin' is just about done kicking cancers butt, then she will be back shooting with us. What an amazing lady... still baked all those delicious cookies for us today! Please keep her and Bobby in your prayers!

This is Larry, Curly and Moe.. wait it's Marshall Bixler, Garland Ratz and Deadeye Dingus. Had such a great time shooting with these cowboys today. Never a serious moment around them. Great times at Stoney Bottom!

In case you missed the shoot, here is a glimpse of what you missed! Today was just an amazing day mother nature provided for us! The sky was just beautiful and almost looked like a painting!

Pictured here is a new shooter Fuzzy! Fuzzy came to our May shoot to give cowboy shooting a try... now he has all his gear and a gun cart! Glad to have you at Stoney Bottom!

This is Pokey Packrat, one of our Cowboys from up north. Pokey came down to shoot half the day. He had plans and had to leave early but thinks so much of the cowboys he wanted to share his day with us!! Thanks Pokey for always helping!

This is Steel Rider clowning around.. what he does best!! I asked him to pose pretty for the camera and this is what I got! Steel Rider is a veteran shooter at Stoney Bottom and always steps up to help! If you haven't shot on his posse yet.. make sure you try it!

I hate to put myself in the newsletter twice, but I love this photo! This is Hey Sugar, Eleanor Jewel, me, and Rhinestone Beauty. Stoney Bottom just has the most awesome cowgirls!! In fact 2 of our cowgirls are in the top 10 for July! Great Shooting Gals.

Well that 's about all we have room for in this newsletter. Thank you once again to all of our helpers. We have too many to mention but you know who you are! We truly appreciated everything you do for the cowboys. Hope you all have an amazing summer! See you in August!
