

SANDUSKY COUNTY REGULATORS

SEPTEMBER NEWSLETTER

We had a beautiful weekend as 75 shooters descended on our little town for the 19th Annual Shootout at Stoney Bottom. For those who had to leave due to unforeseen circumstances, we missed you all. Congratulations to our top shooters Sinola Kid and Sassy Southpaw. We had such a great time being with old friends and meeting new ones. Laughter is like a medicine and after this past weekend everyone should be feeling pretty healthy. A big thanks goes out to all of our cowboy crew who worked tirelessly to bring everything together. Setting up and tearing down stages is quite a chore and our cowboys are always there to help out, including bringing chili to our side matches. Thanks to Woody Shootem for your expertise in mastering the scores, making our booklets, badges, and helping Badfinger Bodene write the stages, and to Darla for organizing the set up for our banquet and our meal on Sunday. You are invaluable. Thank you Dance Hall Darlin' and Shirley (Mrs. Shady Wayne) for baking cookies to feed our hungry cowboys and cowgirls. I believe we had over 60 dozen cookies, along with desserts for our Sunday lunch. You are all very much appreciated. I know all of our containers were empty at the end of the shoot. Leatherman may be getting some new business enlarging holster rigs for some of us.

Also appreciated very much are our vendors who took the time to set up for us. Up Range Exchange, Patriot Casting, R Bar D, and Xtreme Cuisine. A special thanks to Paparazzi Pahl Cowboy Action Photography for promoting Stoney Bottom, and American Heritage Stainless Buckles for providing the buckles for our overall winners. YOU ALL ROCK!!
