*First off we would like to apologize to all of our shooters that support the Sandusky County Regulators month after month. We tried to contact as many of you as possible and hope we reached everyone that planned to attend. We sent emails, posted it on the wire and made phone calls until 9:30p.m to those of you we had phone numbers for. I know it is impossible to reach everyone and not everyone checks email daily but we gave it our best effort in a bad situation.*

*Not hosting a shoot today was a big disappointment for us as well. All of the people that help put this match on work so hard every month and it's a shame that we had to let our shooters down. We certainly hope that this will never happen again and if you did make the drive to our club and wasted your time and gas... we hope that you can find it in your hearts to forgive us for the inconvenience.*

*We will be attending the Board of Directors meeting on the third Tuesday of the month to address the scheduling issue. We want to continue to provide you with quality shoots that you can all enjoy.*

*The support we get from our cowboys is just amazing. Cancelling the match today was a very hard decision but we feel was the right decision.*

*On a lighter note Deadeye Dingus said he had planned on a clean shoot for the match and instead he had a clean mow with no misses. I'm going to have to come up with some kind of an award for that! Sure made me laugh ... Thanks Dingus!*

*Shootout at Stoney Bottom is quickly approaching. Our theme is "Back to the Future Part III." I know, not your typical western, but this is a favorite of Curtice and I, and it has some great lines! If you haven't seen the movie definitely take some time out to watch it! Nothing better than time travel and cowboys. Also, if anyone would like to donate a door prize or be a sponsor, please let us know. We greatly appreciate donations of any kind!*

*To all the cowboys that are Fathers... Hope you have an amazing Father's Day! If you are not told enough, know how important you are to your children. It's often hard to put into words how we feel. I would give anything for my Dad to have seen me shoot cowboy. I know he would have been so proud. He used to tell us when he was a kid, every Friday he would go down to the theater and watch a Gene Autry movie and get a hot dog for a quarter. Those were the days. Great Memories!*

*If you are going to Firelands, Thunder in the Valley, Good Luck to all of you and have safe travels! They put on amazing match!*

*Don't really have much to add to this newsletter other than we hope to see you all next month!*
